FRAGRANT BALSAM CHRISTMAS WREATHS

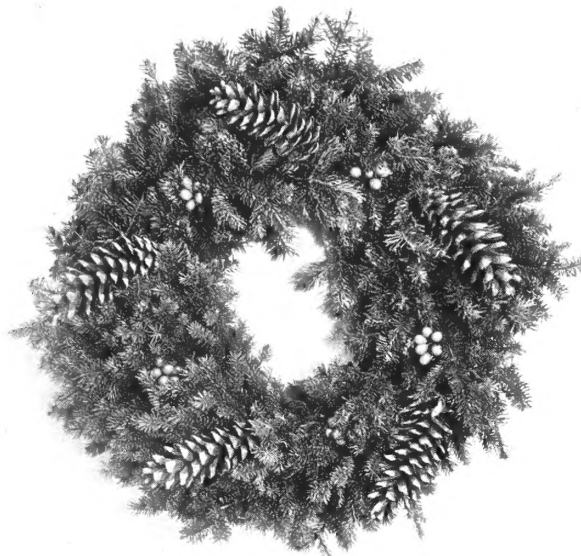

Our famous Christmas Wreaths are carefully fashioned by the dexterous fingers of our skilled Vermont helpers. We wish you all could pay a visit to our busy, fragrant Christmas Greens Shop. Fortunately all of you can enjoy its products. Our wreaths are made of aromatic Balsam gathered **after the natural shedding of the old needles each fall.** They are beautifully decorated with native cones and bright berries and are built strong to last long. Balsam does not shed its needles indoors as most conifers do.

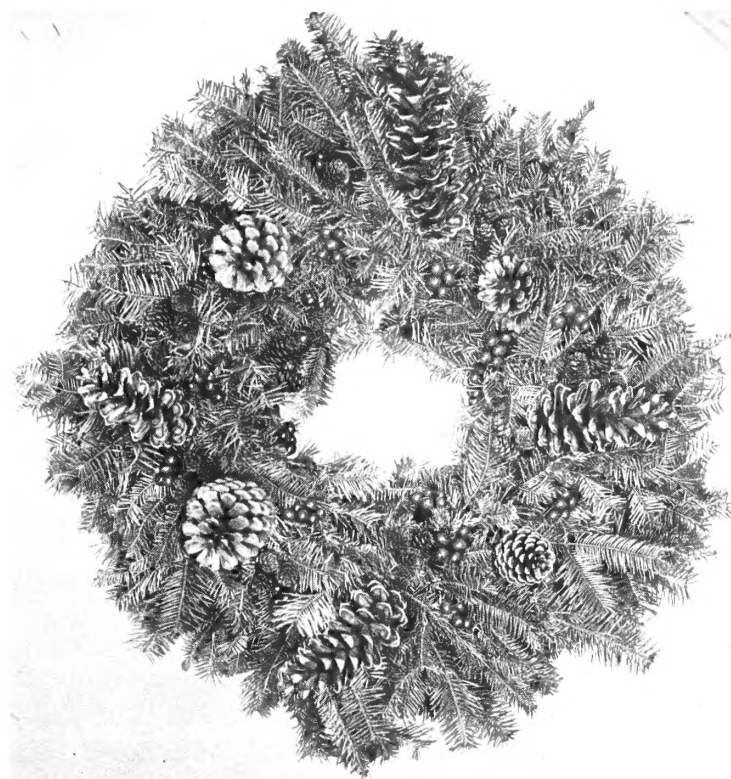

NO. 0 WREATH

A plump little 8-inch wreath of fragrant Balsam trimmed with small native cones and bright red winter-berries. Excellent over fireplaces and for small apartments. Children love one of these "child-size" wreaths for their very own. Only **\$2.00** each.

NO. 3 WREATH

A simple, impressive 20-inch wreath of great beauty. It is "front-door size." Attractively trimmed with five large cones and five sprays of red ilex berries. You'll like it. Only **\$3.90** each.

PUTNEY SPECIAL WREATH

A large, handsome 30-inch wreath constructed on a rigid frame for use where sturdiness is essential. Primarily designed for large residences, office buildings, churches, banks and stores. Well decorated with natural cones, catkins and red ilex berries. **\$12.00** each. (Red ribbon bow **50c** extra.)

NO. 1 WREATH

A handsome 12-inch Balsam wreath trimmed with cones and sprays of red berries at a moderate price. **\$2.75** each. (Red ribbon bow **25c** extra.)

NO. 4 WREATH

A big, handsome 20-inch wreath for your front door. It has a continuous decoration of cones and berries all the way around. **\$5.35** each. (Red ribbon bow **25c** extra.)

Our Popular

NO. 2 WREATH

A very popular wreath about 15 inches in diameter woven of fragrant Balsam tips and artistically decorated with five cone sprays and five sprays of bright red berries plus a big red ribbon bow. It makes a nice gift to send to friends and business acquaintances. **\$3.25** each.

IMPORTANT !

PRICES in this folder include careful packing and delivery to our local post office or express station but do not include any allowance for transportation. We shall prepay postage and notify you of the amount. Please reimburse us promptly because it costs us too much to send you reminders.

GARLAND WREATH

This 20-inch wreath is richly **decorated** and it is our own favorite. Several large cones and sprays are put into an artistic arrangement at the bottom while a mosaic of smaller cones and bright berries enlivens the whole wreath. We top it off with a big red ribbon bow. **\$7.00** each.

Once Again We Have

PARTRIDGEBERRY BOWLS

Consequently it will be advisable to order these bowls at once. As shown in the illustration, the bowls are filled with a center core of moss to hold moisture with the outside covered with sprigs of white deer-moss and partridgeberry streamers which combine small, round, dark-green, glossy leaves with vivid red berries. The partridgeberries actually grow in these little indoor glass gardens. They remain beautiful for several months with almost no attention. **\$3.75** each.

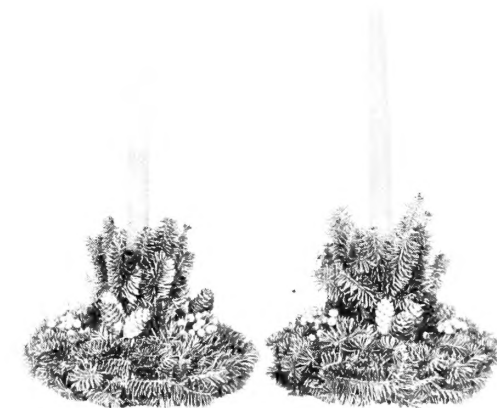

MEMORIAL WREATH

A 20-inch Balsam wreath sturdily made and decorated with five large cones and five sprays of red berries. Built on a frame to provide strength. Intended for use in cemeteries. **\$5.50** each.

EVERGREEN ROPING
